

City of Mabank – Door to Door Permit

We do not have the physical permit but the following steps are needed to obtain the permit:

- The parent that will accompany the Girl Scout at door to door and booth sales must go to City Hall in Mabank:

129 Market St., Mabank, TX
(903) 887-3241
- Bring your Driver's License. The City of Mabank has always used your driver's license to run a background check before providing you with the required permit. New this year, they will charge \$5.00 as the fee for completing the required background check in order to provide you with your permit.
- Ask for LaCosta Davis, and say you are with the Girl Scouts and need a permit to sell cookies door to door.
- Fill out the necessary form for a Solicitor's Permit, which you will receive that day.
- Please make sure that the Girl Scouts are in uniform when going door to door and at booth sites.
