

## In Store Fundraising and Special Event Guidelines

Welcome to United Supermarkets and thank you for choosing our store for your fundraiser. We are excited to be a part of the communities we serve and pride ourselves on living by our company's Mission of "Ultimate Service, Superior Performance, Positive Impact."

We are eager to assist in any way; however, we always want to respect our Guests and their shopping experience at our store. Because of this, we ask that you follow these guidelines:

- Stores will only allow fundraisers two weekends a month.
- We do not schedule events on our busy weekends or near holidays. No events will be scheduled during November or December.
- **Do not approach our Guests; let them approach your table at their leisure.**
- Events will be limited to local nonprofit organizations. We do not schedule fundraisers for individuals or families.
- We do not allow bake sales, sports team fundraisers or raffles.
- Your organization may be required to provide its own table and chairs and we prefer that you set up outside if weather permits.
- Children must stay at the table and not wander through the store or the parking lot.
- Our entrance cannot be blocked in any way.
- No yelling, screaming or cheers.
- Please clean up your area after the event.

*I understand the above guidelines and will ensure that my organization complies. I also understand that failure to comply with these guidelines could result in my organization being asked to leave United Supermarkets and jeopardize our group being allowed in the stores in the future.*
